imm cologne / Pure Village / Hall 3.1 Stand A22

## **dreipuls is looking for partners and resellers for their revolutionary furniture luminaires**

**For dreipuls, it is simply not enough to be an exclusive insiders' tip amongst light designers and connoisseurs: the young designer label from Dresden is intensifying its activities to establish distribution channels in the premium segment of furniture and kitchen manufacturers. Matthias Pinkert, dreipuls' head designer, will present the new dreipuls luminaires at the imm cologne in January 2013, demonstrating the potential of his patented lightning concept in everyday situations live on stage.**

Living. Decorating. Enjoying – Focused on these buzz words, international furniture makers and designer labels will present the interior trends of tomorrow at the imm cologne from January 14<sup>th</sup> to 20<sup>th</sup>.

Being an aspiring design label, dreipuls is part of the "Pure Village" at the fair. Curious visitors may anticipate, inter alia, initial information on the market launch of the new dreipuls under-cabinet luminaire controlled completely contactless only by the swipe of a hand.

Furthermore, the most exclusive desk lamp invented, a design classic now and air loom of the future The Rima lamp will be presented as the popular tabletop-luminaire as well as the brand-new under-cabinet luminaire for reception counters.

The dreipuls team is looking forward to meeting representatives of the furniture industry, exchanging expertise with kitchen makers and inspiring conversations in order to establish national and international business relationships.
